ELC Addendum to IRB Human Subject Proposal

Name of Principal Researcher ___________________________

Title of Proposal ___________________________

When will the research be conducted?
(Note: No research can be conducted during the first or last two weeks of classes.)

Discuss the impact of the study to the ELC. (For example, how much administrative time will it take on the part of the secretaries and on other personnel? Does the research involve the use of the computer labs? Classrooms? Will teachers need to take class time to do anything? Is the research analyzing existing data? Please be specific.)

How will this research benefit the ELC?

Record of ELC Action—for Office Use Only.

Date of Review: ___________________________

_____ Approved as Submitted

_____ Approved by ELC but must be submitted to Human Subjects Review Board for Expedited or Full Board Review

_____ Approved with conditions

_____ Not Approved

Date Approved: ___________________________
